Dr. C. P. Howard

Dear Campbell:

It will be splendid to see you the end of July. Come directly here from Plymouth. You must have had a strenuous winter, but it has been a novel and interesting experience. That is a good letter-paper-heading.

What a busy time they are having in Baltimore trying to settle the question of whole time Professors. There is much to be said on both sides. I have not had any details but the figures mentioned by Kelly, 7500 dollars, would of course be absurd, but \$15 ~~or~~ \$20,000 would do. ~~course~~

A.G. tells me that you are going to Germany first. Let me know when you are to be in Berlin, I should like so much to get a chance to have a few days where with you.

I hope your boys will do well in the examination.

Sincerely yours,

Wm. Osler.
