June 8th, 1911.

Dear Mr. Phipps,

I have to thank you very much for the interesting report of the Institute. How interesting to see the growth of the social work! The development of the teaching of the students in connection with the Institute is a very good thing. Altogether the outlook under the new regime seems very hopeful.

Do let us hear when you are to be over. It would be a great pleasure to see you.

Sincerely yours,

W^m Osler
