November 13th, 1911.

Dear Hurd,

[ Thank you so much for sending on dear old Gildersleeve's letter, - how delightful it is that he should have lasted on with all his faculties intact, and so universally beloved and regarded. He has got a remarkable reputation over here; all the scholars know his work and name very well. ]

I am sorry to hear that Mrs. Hurd has been ill. By this time I hope you will have seen Lady Osler. I do not remember ever to have seen a copy of Billings and Weir Mitchell's "Suggestions to Hospital Visitors", - let me have a copy.

I have been very busy lately, and am struggling with a new edition of my text book. I daresay you saw that I am to lecture at Yale next autumn on the "Evolution of Modern Medicine". I am sure to see you all in Baltimore in October.

Love to Mrs. Hurd and the girls.

Sincerely yours,

(signed) Wm. Osler.
