From the Regius Professor of Medicine, Oxford.

13, Norham Gardens,

November 17, 1911.

Dear Simmons:

Many thanks, I suppose I have had a score of letters on that same subject, but it is a slip I am correcting for the new edition. I hope you are coming over next summer. Congratulations on the Journal which I read every week with great pleasure and profit.

Sincerely yours,

(Signed) Wm. Osler
