FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

(Typewritten)

December 5th (1911)

Dear Mr. Phipps,

I hear from Glaisher that he has now sent out the copies - 71 to the libraries of the medical schools in Canada and the United States, 40 to the medical schools in Great Britain and Ireland, which makes 111 copies. You left 100 at my disposal and he has used 8 of yours, and still lacks 3 for the libraries of the medical schools of Cork, Galway and Belfast. Have you any spare copies of the "Forword"? I should like 15 or 16.

With kind regards to Mrs. Phipps,

Sincerely yours,

Wm Osler
