(To Leonard L. Mackall)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

Feb. 29, 1912.

Dear Mackall:

Many thanks; I have the 1677 edition. I lack one Dutch edition, and one of the 1644 Latin editions - I am a little doubtful whether it ever was issued.

I hope you are coming over this summer again. Billy Francis, you will be glad to hear, is practically well, though still at the Sanatorium.

Sincerely yours,
