Oxford

The apples are delicious!

Dear Shepherd

So sad to hear of Roberts death. He & I were always good friends. It will be a sad blow to his family. He seemed a very healthy fellow. It is good to hear that Cecil is all right - poor girl, what a sad time she has had. Give her my love & best wishes. You say nothing about yourself so I take it the boils have gone. Elliot Galt is all right after the operation. His heart is weak and the abdomen was a bit swollen. I hope the liver has not begun to trouble him again. Sharkey is to see him today.

Sincerely yours

W^m Osler
