

(In Dr. Osler's hand-writing).

Summer of 1912 Aug.

Dear Hal,

Tear off the over-leaf and shake it in the face of some banker and he will give you \$100.00 in cash^a--which is the face value of my signature. If he demurs tell him to go to--- that I was 500 miles from home and had no cheque book. Buy with it your books and anything you need for your studies. I am sure you will do splendidly in the medical school; 5th. or is it the 6th. generation?

Good luck to you,

Yours ever,

Wm. Osler
