 Aug 13th (1912)
~~13, NORHAM GARDENS,~~
OXFORD

Dear Roswell P.

Nothing could give me greater pleasure. You are one of my oldest & "bestest" friends. I shall enjoy the essays very much. We are here in this far away spot - north coast of Scotland - for the sake of my boy who is a devoted Waltonian. The fishing is good - but the rain it raineth every day.

Yours ever

(replying to request for permission
 to dedicate "Evil Eye" to him.)
