

CUS417/114.59

From the Regius Professor Medicine, Oxford.

16th Sept. 1912.

Dear Garrison,

John W. Francis

Thank you very much for Francis'⁺ address. Any other of his pamphlets I should like to have.

Many thanks also for the list, which I am going to talk over with Raymond Crawford.

Love to Dr. Fletcher.

Sincerely yours,

Wm. Osler.

John W. Francis
