

(To Dr. Harold Bowditch)

CUS417/114.69

Oxford

24th Sept. 1912.

Dear Harold,

I am delighted to hear of the arrival of the baby, and hope they are both thriving. Give them my love and best wishes.

I was to have been over this October, but my visit has been postponed until the spring.

Sincerely yours,

W^m Osler

Love to your mother
