From the Regius Professor of Medicine, Oxford.

22nd Oct. 1912.

Dear Cullen,

Thank you very much for the delightful Menu.

My great regret is that I was not in that original photograph in 1892. It must have been a great pleasure to you all to have Nuttall with you again. He is a first class fellow in every way.

Love to Mrs. Cullen.

Ever yours,

Wm. Osler.
