

13, Norham Gardens.

(To Dr. F. J. Shepherd)

(Typewritten)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

CUS417/114,93

5th Nov., 1912.

Dear Shepherd:

I am very distressed to hear that Cecil is not well again. Let me have a postal card when the event is over. I am glad to hear that you are better. Stevenson goes on well. I have not seen Elliot Galt yet, but Cheyne tells me that he is in first rate condition. He is going to try and close up that little hole on Tuesday.

Sincerely yours,

W^m Osler
