Presidentship Bibliog. Soc. Jany '13.

The Bibliographical Society

6. i. 1913.

Dear Sir William,

I have much pleasure in notifying you that, after you left this afternoon, you were unánimously nominated for the Presidentship of the Bibliographical Society, so your name will be duly submitted to the General Meeting on the 20th, and you will become President in time to take the Chair for Tedder's paper on A Bibliography of Modern English History.

Wheatley has asked Tedder to dine with the Colophon Club, with the usual intimation of a Resigning President that some one else will be his host.

It will be a great pleasure to me to have you as my President, and I'll do all I can to save you trouble.

Faithfully yrsrs,

A. W. POLLARD.
