Dear Archie,

I am perfectly delighted to hear such good news of your father:  
it is really very gratifying.

Yes, I think it would be a good scheme for you to get into  
the Royal Victoria for a year. What does your father feel about it?  
We have had a very busy winter. I shall see you in May when I  
am out. Love to all the boys.

Sincerely yours,  
Wm. Osler.
