

G. Alder
(Prof. Geo. Blumer)

March 1st, 1913.

13, Norham Gardens,

Oxford.

Dear Blumer:

So nice to have your report - very good reading. You seem to be very prosperous. That 'cash over-invested' sounds fascinating. We never have anything like it here. I have just had two hours over the Bodleian accounts - such a contrast. I am coming out in April for my Yale Lectures. Hope to have a chance of seeing you.

Yours ever

W^m Osler
