Dear J. William,

I did not give you notice because I was uncertain when I was due in Philadelphia. I was very sorry to miss you, still more, to miss the angel of your house.

I cannot possibly be in Philadelphia on May 10th, as I have an engagement in Toronto on that day. I am indeed sorry as I should so like to have been present for the sake of Mr. Phipps who is such an old dear friend.

When you come over, it is high time you paid us a little visit. I wish you could see Revere.

Love to Mrs. White,

Sincerely ,

W<sup>m</sup> Osler.
