Dear Osler,

I do not know definitely whether Landouzy is coming. I have asked him to dine with me on Saturday the 9th when I shall have a good many foreigners coming. Are you free that night. If so I shall be very glad if you and Lady Osler will dine with me. I expect fifty or sixty at the dinner or more if the Club can manage it. I have made it at 8.15 and put in morning or evening dress at will because some of the guests will not be able to get home from the Windsor Garden Party in time to dress and will have to come direct. I have also asked him to dine on Friday the 8th at Hampton Court, our Sectional Dinner.

With kind regards,

Believe me,

Sincerely yours,

Lauder Brunton
