

No. 113
(Letter to Dr. C.N.B.Camac)
(typewritten)

17, Sept. 1913

From the Regius Professor of Medicine, Oxford.

Dear Camac,

So nice to hear from you. We have had news at intervals from Mrs. McCagg. I am sorry to hear that Mrs. Camac has not been benefited by the summer. It is too bad. Give my love to her and to the girls.

The Congress was a great success. Cushing's address was splendid. We have just returned from Scotland, where Revere had fairly good fishing. I suppose by this time you are back in New York, settled for the winter.

Love to you all.

Sincerely yours,

W.O.

Billy Francis is here for a short trip - looking very well.
