(To Dr. Jamieson B. Hurry, Reading)

FROM THE REGIUS PROFESSOR OF MEDICINE OXFORD, 29, Oct., 1913.

Dear Hurry:

That is a very charming booklet and will be, I am sure, a helpful and stimulating interest in your fine old Society. Your quotations are very happy. Could you send a copy to the Johns Hopkins Hospital Library and to the Library of the old Medico-Chirurgical Faculty of the State of Maryland, 1112 Cathedral Street, Baltimore? - also Surgeon General's Library, Washington.

Sincerely yours,

W^m Osler
