(To Leonard Mackall)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

13 Dec., 1913.

Dear Mackall:

Delighted! I hope I shall get it, [Beringer], as I have been on the lookout for the book for years and I think the price is very reasonable.

I have become interested in Erastus who has given his name to the type of Church domination under which we live in England. His books seem to be scarce and quickly picked up. Let me hear if you see any of them.

Sincerely yours,

W^m Osler
