

(Pres. Arthur T. Hadley)

From the Regius Professor of Medicine, Oxford.

31, Dec. 1913.

Dear Hadley:

We are all delighted to hear that you have accepted the Lectureship on American History for 1914. I hope you and Mrs. Hadley will stay with us during your visit.

There is a nice sitting room upstairs in which you can be as secluded as in a hotel or in lodgings.

Sorry for the slight delay about the appearance of my lectures, but it was unavoidable. I hope they will be out in a couple of months. They have been most satisfactory at the Press.

Sincerely yours,

W^m Osler.
