From the Regius Professor of Medicine, Oxford  
3, Jan. 1914.

Dear Miss Noyes,

I enclose cheque for the Library Association. I hope Miss Humpton has paid my Frick subscription for 1914.

I am sending you a small box of books through Wesleys today.

I enjoyed your Christmas card very much - it was a beauty, in form and spirit.

Love to you all.

Sincerely yours,  
Wm Osler
