

Letter to Edward Milburn, Esq.)
(typewritten)

5, Jan. 1914

From the Regius Professor of Medicine, Oxford.

Dear Ned,

I am so glad you had a good Christmas. We have had a very busy time. My brother Frank came over from British Columbia with his wife - I had not seen him for thirty years - and Lady Osler's brother from Sydney and a couple of other friends, so that we were very busy.

My Yale lectures on The Evolution of Modern Medicine are in type, but I have not yet had time to finish them. You will have a copy as soon as they are out.

With love to you all at home,

Sincerely yours,

WM OSLER
