

From the Regius Professor of Medicine, Oxford.

24, Jan. 1914.

Dear Garrison,

- My friend Dr. Monod of Paris has been appointed by the French Government to report on the methods of post-graduate teaching in the United States. Will you give him please every possible help! He will be in Washington from April 4th to April 6th. His address is Am. Express Co., New York.

Sincerely yours,

Wm. Osler.

P. S. Monod would be prepared to give a lecture on Paris Post-Grad. work and will you ask the President of the Society to arrange it.
