Dear Blumer,

I enclose the letter, received this morning, from the President of the Royal College of Physicians. I suppose it means from his last paragraph that they still may be able to do something.

Sincerely yours,

W^m Osler

Note by Prof. Blumer:

Sir William had kindly interested himself in getting me in line for promotion from L.R.C.P., Edin. to M.R.C.P., thence to the Fellowship, but as I was not on the British Register it could not be accomplished.
