(typewritten)

Dear Adami,

What a deuce of a mess! I had not heard it was quite so bad as you say. I cannot make out where the hitch occurred. There is an adverse influence somewhere. It is too bad! Still, perhaps we can settle it for July.

Your B.M.J. address* is making a strong impression here, I am glad to say, and it was much needed.

Love to L.M.C.

Sincerely yours,
Wm. Osler.
