Dear J. T.

Many thanks for the new edition which looks very "spick and span". I have been looking over several of the sections. You have got it well up to date. We have had a very busy winter - so many people coming and going. I am a great deal in London for one thing or another. We give Gorgas a big dinner next week and the University has decided to give him an honorary degree. I shall be out in Sept. for the 25th. Anniversary of the opening of the J.H.H.

Love to Nell and Mellor and the family all

Ever yours,

(signed) Wm. Osler.
