

From the Regius Professor of Med.  
Oxford.

To Sir John MacAlister,

26 May, 1914.

Letter (Typewritten).

Dear MacAlister,

I will arrange a meeting of the Council of the Historical Section, and arrange a preliminary programme. I think it will only be a one day affair, but we must get the cooperation of the Royal Colleges.

I have a letter from Davis & Orioli, 24, Museum Street, W.C., saying that they have a good copy of the 1478 Celcus for £20. You had better look at it, as this is reasonable. I will subscribe a "fiver"!

Sincerely yours,

Wm. Osler.
