

(To M. le Prof. Debove, Paris)

June 5th, 1914.

Dear Colleague,

It is with the greatest possible pleasure that I have received the notification of my election as Foreign Associate of the Academy of Medicine. My appreciation of the honour is heightened by the knowledge of the distinguished position occupied by the Academy among the learned institutions of the world. I am deeply touched that the members have thought me worthy <sup>to be</sup> enrolled among their foreign associates.

With my respectful compliments to the President,

Yours etc.,

M. le Professeur Debove,

Le Secretaire perpetuel de l'Academie de Medecine

Academie de Medecine,

16, Rue Bonaparte VI

Paris.
