

From the Regius Professor of Medicine, Oxford.

29, June, 1914.

Dear Shepherd,

You have made a great hit with Mines I am sure. He has just spent a week-end here, and delighted everybody.

What are you doing this summer? Shall we see you here? I am not sailing until September 7th; I cannot get away on account of some local meetings. Grace and the boy leave by the Calgarian on the 30th of July. Let me know if you are coming over. I shall be free here after the Aberdeen meeting. I saw Sherry and Mack at the Canada Club dinner the other day, looking very well. It is very nice to hear that Geddes is such a success.

Sincerely yours,

W^m Osler
