Royal College of Physicians
Pall Mall East. S.W.

Dear Sir William,

The President and Censors desire me to say that they have appointed you to deliver the Fitzpatrick Lectures next year (1915), and to express their hope that you may see your way to accepting this office.

The lectures, as you doubtless know, are generally given in October.

I remain,

Sincerely yours,

L. A. ORMEROD.

Sir William Osler, Bart. M.D.
