

(Typewritten)

(To HON. Featherston Osler)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

October 16, 1914.

Dear Fen:

I hope you have corrected the Journal freely, as it needed it; but there is enough of interest to warrant its publication. You will be very pleased with the arrangement of the letters and papers. The volumes will be ready before Christmas.

Affectionately yours,

W<sup>m</sup> Osler

Phil is in fine form.
