

(To Dr. W. G. MacCallum)
From the Regius Professor of Medicine, Oxford.

23, October, 1914.

Dear Mac.,

You look very well in the long photo. I am sorry to have missed my picture there in such a historic group. It was very nice to have your cable.

We are all struggling very hard here, keeping up our spirits and hoping for the best. There is a deuce of a long road before us.

Love to your father,

Sincerely yours,

Wm. Osler.
