Dear Lady

Many thanks for your  
kind help in the case of the  
Belgian Prof's, we have 15  
settled here comfortably with  
families. It is a big job.  
as heaven only knows when  
they will get home again

Love to the daughter, sorry  
I could not be at her coming  
out party. Do NOT forget  
about papers of Prof Leidy

Yours Ever

W<sup>m</sup> Osler.
