

(typewriting)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

CUS417/118.147

(Dr. W. S. Thayer) *hatched*
30, November, 1914.

Dear Thayer,

Thanks very much for your contribution to the fund for our Belgian Professors, of whom we have now some 15 settled here with their families. They are in a sad plight, and the outlook is so uncertain.

I had a nice letter from 'William Sydney' to-day. I hope you saw his letter in the "Spectator", which tickled a great many people here.

Sincerely yours,

Wm Osler
