Dear Mac:-

Thanks for the cutting from the "Ledger". That is just how I feel.
I am sending your letter on to the agency with the clipping.

Glad to hear that Maude Abbott has turned up at last. I was afraid
there would be trouble with her.

We have not seen Jack yet. Hope he will come for Christmas.

About the Text-Book, I am certainly doing a little, but hope to
devote the whole of next year to it, and when you have finished with volume V, you
might do a little thinking about it.

Love to Amy.

Sincerely yours,

Wm. Osler.
