

(Dr. J. Wm. White)

Oxford.

19, March, 1915.

Dear J. William,

I wrote asking Gowers of the Publicity Committee some time ago to let me know into what languages the Primer was being translated, but I have had no word from him. I do not suppose it will make any difference if there is another translation in France. I will let you know.

Sincerely yours,

W^m Osler
