(Typewritten)

(To Hon. Robert Bacon, London)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

24, April, 1915.

Dear Bacon:

I have a cable from Butler: "Letter received. Will consult Medical Faculty. Hope success." What you say about the personnel alters the situation very much, and there should be no difficulty in providing 30 to 31.

Sincerely yours,

W^m Osler
