From Dr. Malloch's Journal.
Wednesday, June 30, 1915.

Sir Wm. to London. In p.m. worked over Royal Soc. books; saw for 1st time MS of Egerton Yorrick Davis, also Rectoral contest at Edinb. 1908, and family Encyclopoedia and Roy. Coll. of Phy. 1914 - correspondence amongst which Wir Wm.'s resignation and withdrawal of it. Dr. Riddell evidently a bit of a scoundrel.

In 1920 on the face of "The Science of Medicine" above the sign in large letters
rough done probably by students - at the time "Coles forever" still remains printed
