BALTIMORE.

C O P Y.

From the Regius Professor of Medicine, Oxford.

5, July, 1915.

Dear Cullen,

So glad to hear that you have made a satisfactory recovery; but it is a great reproach to Sister Rebecca to have allowed your 'breadbasket' to have become such a museum of pathology! It is the first time I have ever known of any one feeling his own gall stones. I have only once felt them in another.

Love to you both,

Sincerely yours,

Wm. Osler.
