13 Norham Gardens.

W.O. to J. George Adami.
18th (18.xi.15)

(p.c. hand-written)

Many thanks. 'Twas a close shave - another hour and the Incunabula and MSS. would have burnt. That upper room was full of smoke. Revere and I went in with wet towels over our faces four times and got out 6 shelves and then it got too hot. Only the dining-room wrecked - and that no matter!

W.O.
