Letter (Script)

Dear Archie,

Surely Jones could not have written to Keogh about the transfer of an assistant quartermaster! Eagle and the file!! It seems ^{or} hope less mess, and yet it seems so simple. I am sure if Revere could get over, Col. Young at the W.O. would arrange the Commission or assign him to an artillery school at once. Ask Wild.

Yours,
W.O.

We missed you yesterday.

I am having a nice time abled.
