" Quaritch writes March 20/16

" The 1545 ed. of Reynalde I bought 16 years ago  
for the B.M. 9 The B.M. commission was 30. The book would  
fetch considerably more now. If complete and in good condition  
20 - 25 would represent its value. I sold a copy of the 1540  
edition a few years ago for 50."
