Dear Gorgas

We shall be much disappointed if you do not come over. Send me the names of the men & notify me when they leave, as I should like to take them to the war office to Keogh, & help them with all details. Every opportunity will be given them, I am sure. Have you written to Mrs Whitelaw Reid? You had my letter about her offer. I suppose if the President sends them the Govt will pay all expenses.

Many thanks for the reprints

Sincerely yours

Wm Osler
