(Dr. George H. Simmons)

13, Norham Gardens,
Oxford.

Undated, but was received April 5, 1916.

Dear Simmons:

Here is an important communication, which will interest bacteriologists in the U. S. Davison is an A-1 man who will be heard from when he gets back to the J. H. U.

Greetings and regards. I hope to send you a letter shortly. I have been very hard worked lately.

Yours sincerely,
(Signed) Wm. Osler
