

13, Norham Gardens,

CUS417/121.88

Oxford.

Undated, but was received April 5, 1916.

Dear Simmons:

I believe enclosed slip comes somewhere in that paper by Davison which I sent you last week.

Congratulations on the Journal! Standard A!
What a work you have done for the profession in putting it into such a condition. All goes well. Very hopeful.

Yours sincerely,

(Signed) Wm. Osler
