

CUS 417/171.100

(Typewritten)

(To Dr. John Churchman)

REGIUS PROFESSOR OF MEDICINE, OXFORD.

April 21, 1916.

Dear Churchman:

So glad to have your letter last month. By this time you will be over head and ears in work. Do you happen to want any young Americans? George Dock's son, St. Louis, is very anxious to come over.

Sincerely yours,

Wm Osler.

[Refers to trip to France for period of hospital service at Passy (Yonne)].
