

(Typewritten)

(To Dr. John W. Churchman)

FROM THE REGIUS PROFESSOR OF MEDICINE OXFORD.

June 10, 1916.

Dear Churchman:

Thanks for your letter. I think Webb would be a useful man. He looks one of these hard-headed, deft-handed surgeons. Come to us direct when you come to England.

[Cf. letter of May 31st. Written to me as Medecin-Chef at Passy (Yonne); Webb was to come as an assistant, but got side-tracked elsewhere]
