From Wm. Osler to Dr. George Foy.
(Oct. 30th. (1916))

Dear Foy,

I have been so be-deviled with Hospital worries during the past few weeks that I forget whether I wrote to thank you for that gem of a Newspaper. I appreciate your kind thoughtfulness so much. What a serious week you must have had! Not much added lately of my Ancesthesia list. I cannot get in America any of Morton, original papers. The son hoped to be able to send some. Poor fellow has been in a sad mess - a terrible financial row for which he was imprisoned for a year or more.

Sincerely yours,
Wm. Osler.
